VERTICAL CITY RACE 2^A EDITION

TORINO, 17-18 SEPTEMBER 2011

A challenging and unique race, at its second edition. The Vertical City Race will take place on September 17th and 18th starting from Torino city center along with the Torino Street Style, an event which celebrates atypical sports.

Six different disciplines are contemplated: 17 km Trail-running, 25 km Mountain-biking in the Torino hill, Kayaking on the Po river, 200m Zip-line crossing the Po river, Climbing at Murazzi del Po and Orienteering in the streets and plazas downtown.

100 teams made up of three athletes will race in this amazing competition which links competitiveness and pure fun according to the formula "city race". Two days dedicated to outdoor activities and sports.

A new idea of urban space will drive the athletes, the spectators and the whole city crazy.

The Vertical City Race is organized by **Verticalife** Sports Club, which was born in 2009 with the mission of promoting, organizing and participating to sports events and leisure projects.

SUBSCRIPTIONS ARE OPEN. Get hung up!
